## Spring Newsletter 2022

The Memorial Day tournament and party were rousing successes! Thank you so much to Terry Aleshire and Suzy Grossman for behind the scenes preparation, to Peggy Dodge and Josie Plaister for party organizing, to the Friedmans for hosting, and to the weather gods for cooperating, minus a little puddle on Sunday morning!

We had 11 teams in the 2 divisions---22 players running and hitting out there. CONGRATULATIONS to Scott Kaplan and Suzy Grossman, who beat Andy Morse and David Morris in the SILVER DIVISION finals 6-2, 6-0. Other notable matches in that division involved tenacious Natalie Roe and Julia Burke, who had two matches with three tie-breakers.

The GOLD DIVISION was won by “get everything” Tom Gardali and Jack Williams, who defeated Louis Ptak and Tad Minor in a stirring final, 5-7, 6-4, 7-5. The other matches in Gold found first-time Gen Z’ers, Max Hulkill and Ram Srivatsan, challenging wily vets Jack Williams and Tom Gardali; and George Dodge and Joran Freeman stretching Louis and Tad to the limit in a 3 hour match at Second Valley. GREAT TENNIS!

We look forward to organizing a fun July round-robin tournament, building to the grand season finale, our Labor Day Tournament. Grab your partners and get ready to do-see-do!
